

# INTERNATIONAL DYSLEXIA ASSOCIATION-WI BRANCH

November 2022

Hello members:

## BRING YOUR PASSION

We all have a passion for Dyslexia. With that in mind, we are always looking for new members to join the board. We meet every other month. We would love to have your passion to help us. We can adapt to your interest level and see what you do well to help us. Please email any board member for more information.

I want to thank everyone who attended and/or helped out with the Dyslexia Awareness Party & Fundraiser and the Double Good Popcorn Fundraiser. We really appreciate it. At the party, we decided to make it an annual event. Our next Dyslexia Awareness Party and Fundraiser will be Saturday, October 7, 2023. Wow did October go fast!

November is full of all sorts of opportunities to learn. First, The National International Dyslexia Association is having their annual conference November 10-12. In person registration is closed but they have an on-line option still available. There are lots of good speakers. Here is the link [Home \(dyslexiacon.org\)](https://dyslexiacon.org) Secondly, the IDAWI has their monthly board meeting, and we will be discussing our annual conference. If anyone wants to help you, just reach out to me and I will get you information. All help is very welcome and appreciated.

Please watch your emails. If you have not renewed your membership, IDA will be sending you reminders. Please renew so you can stay in the loop. I will still send out the newsletter to you, but everything else will be strictly IDA members only.

If anyone wants to follow their passion and join us on the board, please send me your information. We are always looking for people with passion and talents. We meet once every other month. Other than that, your participation is what you want to give.

Priscilla Gresens  
President of the IDA-WI

Did you know that Amazon has donates to charities? Well they do. Just go to <https://smile.amazon.com/> and click on International Dyslexia Association Wisconsin Branch. Amazon donates a percentage directly to us.

### Article to help

Bullying is a very big problem in schools and all over. Children with dyslexia and other issues are targeted because of their differences. Here is an article to help out with bullying with neurodivergent children. [Bullying in Schools Plagues Neurodivergent Students: ADDitude Survey \(additudemag.com\)](#)
