Parents support children Smith SOLUTION

It is hard to believe that it is July already! I hope everyone is enjoying their summer.

I, personally, have had a great June with everything going on. I try to attend as many things as possible I can in the area. There have been some fundraising events and just some coffee with members of IDA and DD.

I am also always on the look for ways to spread the word of Dyslexia. Please, if you have not done so, please like our Facebook page. I have put the link at the end of the newsletter. Also, share it. The more we have seeing it, the more information people can get. If anyone is a wiz on social media, please contact me. I really want to make more of presence out there and I am not a social media wiz.

Thank you and be safe.

Priscilla Gresens  
President of the IDA-WI

## Article to help

The internet is full of articles. Here is a great one that talks about what dyslexia really is and the common signs about it. It helps and can be shared.
